AMERICAN JUDICIAL ALLIANCE

***"Awakening the
Conscience of One
Nation Under God"***

AJATODAY.COM

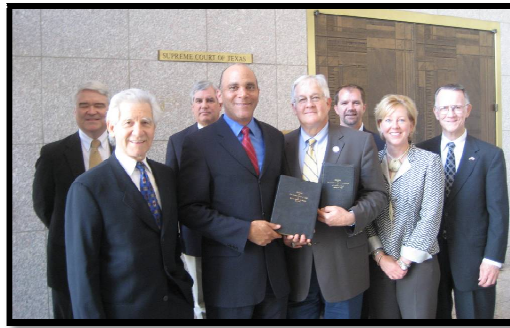

“We intend to place a Bible in every courtroom in America and to ask active and retired judges all across America to join the “**Harlan Tradition**” of signing the Bible and using them in their courts,” says Retired Judge Darrell White, founder of American Judicial Alliance.

What are We Doing?

Retired and former judges are a highly influential, yet unreached segment of America’s population. **American Judicial Alliance** is placing Commemorative Signatory Bibles in Every Court in America.

These Bibles are placed in the tradition of Supreme Court Justice John Marshall Harlan who donated a Bible to the U.S. Supreme Court in 1906. We are literally “missionaries to judges and teachers of the next generation.”

Why Does That Matter?

Perhaps **John Adams**, America’s second president summed it up best:

“Posterity! You will never know how much it cost the present generation to preserve your freedom! I hope you will make good use of it! If you do not, I shall repent it in heaven that I ever took half the pains to preserve it!”

Simply put, it’s “our watch.” We are the posterity to whom Adams referred. What are we doing with this nation in our own generation?

Are we willing to pledge “our lives, our fortunes and our sacred honor”

like our forefathers did? We at American Judicial Alliance are willing to make that pledge. **Will you join us?**

We are building a coalition of Americans – judges and non-judges alike – who affirm the proposition that the integrity, legitimacy and public favor of America’s judiciary are best served by interpreting laws, including the Constitution, according to the document’s text and structure, giving due regard to legislative intent.
